**Aneco Electrical Construction Inc.** Fort Myers, FL

**Oct 09 1998 – Jun 2003**

**Foreman**

I worked as an electrician in commercial construction then as a lead man running a small crew on different projects. Also I worked as a service technician doing service calls and small construction projects.

My responsibilities and duties included:

- ❖ Installation of electrical systems (lighting and power).
- ❖ Supervised a small crew.
- ❖ Troubleshooting and electrical maintenance.
- ❖ Kept track of electrical supplies.
- ❖ Installed electrical conduits for fire alarm systems.
